New Policy Announced on Solicitations

The Albany Chamber of Commerce today has taken the initial step to eliminate the problem of time consuming and costly solicitation for prizes, cash, advertisements by individuals, groups and organizations.

At the request of local merchants, the Chamber has set up a new Endorsement Committee which will serve as a clearing house for all solicitations within the city, according to Mrs. Beatrice Raymond, president.

Mrs. Raymond said that letters were in the mail this week notifying merchants of the new plan, along with a small card which may be posted stating "you are cooperating with the Chamber of Commerce Solicitation program."

Mrs. Raymond said that all persons or groups wishing to solicit for prizes and other contributions will be requested to fill out a form furnished by the Chamber of Commerce, which will then be studied by the committee. If the committee approves the request, a letter will be given to those who approach the merchants stating that the committee "has considered the request and believes the cause to be worthy of support."

Mrs. Raymond emphasized that "this does not in any way bind the merchants. They are still at liberty to participate or not as they wish."

The Endorsement Committee will not pass judgment on solicitations for legitimate advertising, membership drives of well-established civic groups, or annual drives of the Red Cros and Community Chest.

Residents in 1-Hour Parking Zone Must Obey Law or Pay

Albany residents whose homes are within the new one-hour parking zone today have the choice of parking (1) elsewhere, or (2) in front of their homes with the chance of receiving a traffic citation for overparking.

Albany City Councilmen Monday night rejected a request of Mrs. Frank H. Lampson, of 905 Evelyn Ave. to park her car in front of her home without time limitation.

Mrs. Lampson issued a complaint that she had received a parking ticket despite the fact that a police officer said none would be issued unless another man were added to the police department.

Councilwoman Mrs. Kathie Zahn demanded that the lady's $1 fine be refunded and made a motion that Mrs. Lampson be exempt from the new ordinance.

Councilman Jerome Blank termed Mrs. Zahn's proposals as "impossible."

"I'd like to know the name of that officer," he said.

Blank said that when the three-wheel motorcycle used to enforce the city's parking ordinance was authorized the police department assured the Council it had the personnel to man it.

"I checked one month," Blank said, "and it had only traveled six miles. That's only to the top of Solano Ave. and back."

"We can't make exceptions for all of them," said Councilman Edward Combs, pointing out that many homes face both Solano and San Pablo Aves. in one-hour zones.

The new ordinance approved by the council several weeks ago places a one-hour limit for 100 feet on each side of Solano Ave. on side streets.

In other action, the Council authorized the installation of a new $5337 four-circuit fire alarm board to replace the present two-circuit unit which has been in use since 1915. The new system will permit doubling the number of fire alarm boxes within the city, according to Fire Chief Fred Pimental.

Arnold's Super Furniture Mart Readies Gala Grand Opening Sat.

Albany will welcome to its group of progressive merchants Saturday the new Arnold's Super Furniture Mart, which will celebrate it's grand opening at 811 San Pablo Ave.

The new furniture and appliance emporium is owned and managed by Louis Arnold, a long-time resident of the East Bay, who by coincidence, has spent his entire business career at various locations on San Pablo Ave.

Arnold said that during the past three and one-half years of his semi-retirement he has given considerable though to new ideas in the merchandising of home goods. "And as a result of my study and research I have decided to put my conclusions to practical use," he said.

"I am opening Arnold's Super Furniture Mart in Albany because I am convinced that this is a wide-awake progressive city, populated by alert families, whom I feel will like our new ideas.

"I am going to apply the merchandising principles of the super market to the home goods field. Our prices for first quality goods will be lower because of our self-service operation, reducing costly frills and thus passing on the substantial savings to customers," Arnold said.

Arnold added that "I have always enjoyed a good reputation for fair dealing in my 30 plus years of retailing in the East Bay. Everyone can be certain that I intend to properly service my customers with good quality at the lowest possible prices."

First Baptist Topic

Continuing the expositions of the Ephesian Epistle, the Rev. A. O. Odegard will speak on the topic "The March to Freedom" at the 11 a.m. service Sunday at the First Baptist Church. The choir will sing the anthem, "In the Cathedral of My Heart."

Marin PTA, Dads Plan Joint Meet

The first fall meeting of the Marin PTA and Dads' Club will be a joint affair to be held Tuesday evening in the school auditorium.

The recent PTA conference will be discussed by a panel consisting of Principal Eugene Baker, Principal Milton Gordon of Cornell School and William Woolworth, director of instruction for local schools.

Mrs. Fred Woodward is chairman and will introduce the speakers.

A question and answer period will follow the discussion. Refreshments will be served in the school cafeteria under supervision of Mrs. C. W. Nottingham.

The PTA officers and chairmen met recently at the home of the president, Mrs. L. C. Duggan where the budget and other program activities for the year 1953-54 were discussed. Theme for the coming year will be "Opportunities Unlimited."

MacGregor PTA Unit Recruiting Parents

A 100 per cent membership of mothers and fathers in the MacGregor PTA today has been set by a membership committee headed by Mr. and Mrs. Walter Stockton during the current drive which concludes October 16.

Each room is competing for a small prize in an effort to recruit parents as members. A large poster is on display in the hall of the school, showing firemen with the names of teachers moving up the ladder as the drive progresses.

Christ Lutheran

The Rev. George Muedeking will speak on "The Evergreen Cypress" at the 11 a.m. service Sunday at Christ Lutheran Church in El Cerrito. The adult membership preparation lectures will be held at the church at 7:30 p.m.

Why it pays you to do business with your local insurance agent or broker

Insurance protection in today's social and economic whirling world, is a complicated factor.

It can protect you from disaster . . . if properly handled . . . or lead you to it, if mishandled.

Dealing with a qualified, licensed insurance Agent or Broker is your first step in guaranteeing the correct handling of your insurance.

First of all, your Agent or Broker is *local*, which means that he is available at all times; he is at your *service*. And there is no "consultation" charge for his availability and advise.

Next, your Agent or Broker knows which Insurance Companies are best equipped to properly protect you and service your account. He knows which Companies have the contracts that will meet your special requirements.

And then, too, your Agent or Broker is an independent businessman. He is spurred on by the competitive requirements of the free enterprise system, to which he owes his very economic being . . . he must do a good job for you if he is to keep your business.

Those are a few of the reasons why you should do business with your Local Agent or Broker.
